COMPLIANCE

Compliance with the essential safety requirements has been verified using the following harmonised standards:

- **EN ISO 13688 (2013) + A1 (2021)** for protective clothing - general requirements.
- **EN ISO 20471 (2013) + A1 (2016)** for high visibility warning clothing.
- **EN 13758-2 (2003) + A1 (2006)** for solar UV radiation protection apparel.
Part 2: Classification and marking of apparel.
- **EN ISO 11612 (2015)** for clothing to protect against heat and flame.
- **EN 1149-5 (2018)** for protection against electrostatic discharges.
- **EN 61482-2 (2020)** for live working. Protective clothing against the thermal hazards of an electric arc.
Part 2: requirements.

CUSTOMIZATION

Before going into production, we make a proof of concept from the vector file (vectorised .eps, .ai, .pdf) you send us.

Certain technical requirements may prevent us from printing in the desired location. **OTHER MARKING, PLEASE CONTACT US.**
